- **Background**

- Ember Transport Services is a private transport company that was established by Mr. Moises Simyunn in 2016, operating mainly within National Capital Region.
- The business caters a wide variety of customers from business purposes to personal matter. For more than 6 years, the eagerness to go above and beyond in ensuring clients' satisfaction by providing lowest rate yet quality service is the constant goal.

# MISSION

- To be recognized in metropolis on all matters related to transportation operations by providing:
  - Timely and efficient service and information
  - Convenient
  - Reliable and courteous shuttle services
  - High-quality and cost-effective vehicle leasing

# VISION

- To provide the best transport system, which is safe, dependable, efficient, environmentally friendly and satisfying to both customers, drivers, and operators.

# Improvement

- **Vehicles and Drivers**

From using old Toyota Innova vehicles, we have now the latest model vehicles and shuttle services as well. All our vehicles are branded, and all drivers are in full uniform equipped with professional driver's license.

- **Monitoring At All Pick Up Points**

Monitoring has become top priority as we want what's best for our clients. Ensuring clients get picked up on time with appropriate branding vehicle checked to be use.

# Improvement

- **Communications Department**

Has been established to oversee all grievances from clients and to maintain smooth running of pick-up points and liaising directly with our monitoring team.

- **Inspection Team**

To implement that all vehicles are always road worthy. Daily BLOWBAGETS (Battery, Lights, Oil, Water, Brake, Air, Gas, Tire, Engine and Self) inspection of all vehicles and drivers before they are all dispatched for their duties.

- **Staff**

An Operation Manager has been appointed to maintain smooth running of business.
